

LETTER TO YOUR EMPLOYER

CRYSTAL LAKE SCOUT RESERVATION

Adult leaders are vital to the success of our summer camp programs and the youth development that takes place at the Crystal Lake Scout Reservation. If you are employed, Samoset Council would like to share with your employer or company how important you are in this process. We would like to send a letter informing him or her that you are a leader of boys, and that you have given young men the opportunity to enjoy a quality summer camp experience because of your willingness to participate. If you wish to have us send such a letter, please provide the information below, using one form per unit. Please return this form before leaving camp.

Pack / Troop / Crew (*circle one*) Number: _____
