Acquire Life Skills on Camp Staff

Are you tired of doing the same old routine? Did you know that Samoset Council operates 3 Scout camps including Cub Scout, Boy Scout and high-adventure programs? Each of these offers opportunities for a variety of summer camp staff jobs. Most Scout camp staff are at least 16 years of age, but the Boy Scout and Cub Scout camps have a few select jobs for youth who are a year or two younger. The high adventure program employs young people who are at least 18 years of age. The Samoset Council, BSA is an equal opportunity employer that hires both females and males, as well as people of all ages and ethnic groups, diverse cultures, and mixed abilities.

Why Apply for a Camp Staff Job? Here are a few of the countless reasons that are frequently expressed:

- To make lots of new friends in your area, other states, and even other countries
- To spend a summer in the great outdoors where nature prevails
- To acquire experiential education (learning by doing) and new skills that will last a lifetime
- To be part of an effective team and to cooperate with others to get things done
- To learn how to lead others and to apply leadership skills

Visit clsr.samoset.org to learn more and apply online for a job at the Crystal Lake Scout Reservation! Applications are due December 15th!

The Webelos Fall Adventure held September 21-23 at Tesomas Scout Camp was a great success. A special thank you to Troops 297, Tom Kita Chara lodge members & summer camp staff members for helping host this event.

High Adventure for Older Scouts

Crystal Lake Scuba Adventure: Lay on your back and stare at the surface of the water . . . from twenty feet down! Our Scuba Trek is a PADI Open Water adventure, which starts with special instruction, then tests your skills on several dives in Crystal Lake. Participants camp with their units at Tesomas Scout Camp.

Micro-Trek: Already experienced a few Tesomas adventures? Want to experience more excitement? Micro Trek offers thrills wrapped into one-day: low and high COPE course, canoeing, mountain biking, whitewater rafting, disc golfing or sailing.

Spring Work Trek
May 3-5, 2013

Dear Friend of Camp,

As you may know, the Samoset Camps Alumni Association consists of past camp staff members, friends of camp, former Scouts, and past and present Scout leaders and volunteers. Our members and friends continue to support the work that is done at camp, because they know how Scout camping at the Crystal Lake Scout Reservation can change lives.

Aside from providing volunteer and financial assistance for camp, one of the goals of the SCAA is to provide scholarships to deserving camp staff members each summer. Join me in congratulating this year's scholarship recipients: Ginger Kumpula, Sarah Lobner, Jacob Schroeder, and Jacob Sommers.

Please also consider helping us continue this important scholarship program by donating to the scholarship fund. We appreciate each and every gift we receive. If you are interested in making a financial gift, please visit alumni.samoset.org and click on the "Donate Online" link to make a contribution. If you are interested in providing an estate gift to ensure the future success of this or other SCAA programs and projects, please contact Drew Nelson by emailing him at drew@nelsonlindquist.com.

Thank you for your ongoing support of Samoset camping. I hope that you will join us in continuing to provide the much needed support that camp has come to expect from its many dedicated alumni and friends.

Sincerely,
Reid H. Rayome
