

All About Prerequisites

very important stuff, please read carefully

Below you will notice a listing of prerequisites for each merit badge/activity. You should pay attention to those that are “Starting Requirements” (SR) and those that are “Prerequisites.”

Starting Requirements (SR)

These are requirements that the Scout needs to complete before taking the merit badge/activity. For example, a Scout must be classified as a swimmer before starting Swimming Merit Badge. If the Scout has not completed these Starting Requirements before starting that advancement, they will not be able to attend the merit badge/activity.

Prerequisites

These are requirements that the Scout needs to complete before camp if they want to complete the merit badge/activity while at camp. For example, a Scout must complete requirement 9 of Weather before coming to Tesomas if they want to complete it while at camp. Prerequisites are shown without the (SR) noting under the Prerequisite column.

Referenced requirements are from the 2017 Boy Scout Requirements book. Merit badge pamphlets may be outdated so please use this book when inquiring about requirement specifics. The following merit badges have significant revisions for 2017:

Comments

Comments listed for each merit badge/activity provide additional details that will help you in your planning and preparations.

Completing Requirements After Camp

Some times it's not possible to complete all of the merit badge requirements at camp due to time requirements, approvals and/or proper instruction. As a result, Scouts will receive a partial at camp and are encouraged to find an approved Troop or district counselor to finish at home.
